Look out world, IDm a submachine gun for you Shooting out bullets, gonna kill you too Jumping up and down, screaming in the night Taking orders from the manDs gonna drive me wild

Well IDm a one man army, baby, that  $\Box$ s all I need IDm a one man army, baby, and I shoot bullets in the street A one man bullet, IDm shooting the army down I take no orders and I kill everyone I don  $\Box$ t want around

Well IDm shooting up every night at ten You best believe that it ainDt gonna happen again Gonna go out in the street, put my submachine down Them bullets are flying, laying people on the ground

Well IDm a one man army, baby, that Ds all I need IDm a one man army, baby, and I shoot bullets in the street A one man bullet, IDm shooting the army down I take no orders and I kill everyone I don Dt want around

Well IDm a one man army, baby, that Ds all I need IDm a one man army, baby, and I shoot bullets in the street A one man bullet, IDm shooting the army down I take no orders and I kill everyone I don Dt want around.
