

# There Is A Light

Ghost Mice

Take me out tonight  
Where there is music and there is people  
And they are young and alive  
Driving in your car  
I never, never want to go home  
Because I haven't got one anymore

Take me out tonight  
Because I want to see people, and I want to see lives  
Driving in your car  
Oh, please don't drive me home  
Because it's not my home  
It's their home  
And I'm welcome no more

And if a double-decker bus crashes into us  
To die by your side, what a heavenly way to die  
And if a ten ton truck kills the both of us  
To die by your side, well the pleasure and the privilege is mine

Take me out tonight  
Take me anywhere  
I don't care  
I don't care  
I don't care  
And in the darkened underpass,  
I thought "Oh god, my chance has come at last"  
But then a strange fear gripped me  
And I just couldn't ask

Take me out tonight  
Take me anywhere  
I don't care  
I don't care  
I don't care  
Just driving in your car  
I never, never want to go home  
Because I haven't got one  
I haven't got one

And if a double decker bus crashes into us  
To die by your side, what a heavenly way to die  
And if a ten ton truck kills the both of us  
To die by your side, well the pleasure, the privilege is mine

There is a light, and it never goes out  
There is a light, and it never goes out  
There is a light, and it never goes out  
There is a light, and it never goes out  
There is a light, and it never goes out  
There is a light, and it never goes out  
There is a light, and it never goes out  
There is a light, and it never goes out
