

Trick Or Treat Part 2

Ghost Town

Last year fell short.
People dressed up at my door,
They were screaming trick or treat.

Locked in the house was dumb,
Now it's time to have some fun.
I'll throw a party on my own.

Yeah, you feel the heat?
Remembering you got that fire underneath your feet.

We're partying for the monsters,
We're partying with the freaks.
We're partying like the outcast kids
I'm creepy so party with me.

Na-na-na-na
Na-na-na-na-na-na-na

Ignited: turned up.
Middle fingers: no fucks.
We've got our red cups,
We're blasting bring me.

When I de-cover our secret identities,
Dancing with their enemies

They don't know me!

Yeah, you feel the heat?
Remembering you got that fire underneath your feet.

We're partying for the monsters,
We're partying with the freaks.
We're partying like the outcast kids
I'm creepy so party with me.

Life of the party!
It's all back to personality.
I miss haunting, afraid, the people are fleeing!
This is the party!
This wasn't all the spirits of the night this was reality!

I never lived so much,
On the day of the dead.
We're gonna party so hard we're all fall apart to the beat!

Life of the party!
Life of the party!

We're partying for the monsters,
We're partying with the freaks.
We're partying like the outcast kids
I'm creepy so party with me.

We're partying for the monsters,
We're partying with the freaks.

We're partying like the outcast kids
I'm creepy so party with me.

I'm creepy so party with me.
