

Ghuleh / Zombie Queen

Ghost

Ghuleh
Ghuleh

Ghuleh
Ghuleh

Putrefaction
A scent that cursed be
Under coat of dust
From the darkness
Rise a succubus
From the earthen rust

Haresis dea
Once a majesty
Now exposing bone
From the darkness
Rise a succubus
And usurp the throne

The moon is full and shines
An evil blinding light
Under a monolith, her likeness
Marble white

Zombie Queen
Zombie Queen
Black light guides you!
Ghuleh... Ghuleh...

Zombie Queen
Zombie Queen
Black light guides you!
Ghuleh... Ghuleh...

Up from the stinking dirt
She rises ghastly pale
Shapeshifting soon...
But now she's rigid, stiff and stale

Zombie Queen
Zombie Queen
Black light guides you!
Ghuleh... Ghuleh...

Zombie Queen
Zombie Queen
Black light guides you!
Ghuleh... Ghuleh...
