

## Love

Ghostface Killah

Love

So many things I've got to tell you

But I'm afraid I don't know how

'Cause there's a possibility

You'll look at me differently

Love

Ever since the first moment I spoke your name

From then on I knew that by you being in my life

Things were destined to change cause

Love

So many people use your name in vain

Love

Those who faith in you sometimes go astray

Love

Through all the ups and downs the joy and hurt

Love

For better or worse I still will choose you first

Many days I've longed for you

Wanting you

Hoping for the chance to get to know you

Longing for your kiss

For your touch, for your essence (your beautiful essence)

Many nights I've cried from the things you do

Felt like I could die from the thought of losing you

I know that you're real

With no doubt or no fears

Or no questions

At first you didn't mean that much to me

But now I know that you're all I need

The world looks so brand new to me

Now that I found love

Everyday I live for you

And everything that I do I do it for you

What I say is how I feel so believe it's true

You got to know I'm true, love
