## Momma

## **Ghostface Killah**

Damn, this is for all my women thats been going through the struggle On welfare, living the rough life It's gone be alright Thats right This is how we gone do it I want you to explain your story Then I'mah tell you mine Tell 'em Hustlin, strivin, strugglin survivin (Momma, momma) Never realizing, that you were a diamond (momma, momma) Through the sun, or the rain, through the pain I'ma hold you down (hold you down) Through the good, or the bad times (I got love for you) The stress and the heart aches (so much love for you) It's not ya momma fault It's ya fathers fault It's your fathers fault your mother is an alcoholic Confusin the brain from the booze and the pain And plus he cheated on her, beated on her, smack dead in the rain she Lost her first child in 74 And that lead to nervous breakdowns bicardi dark she downin it raw she can't take it she constantly cryin fallin down on her knees like help me lord please I'm ready to leave all she needed was somebody to rub her feet give her a nice hug and rescue her from off these streets I been sent by an angel to snatch you up Take you way above the clouds and back you up At night you can lay in my arms feel the heart beatin Don status in the sheets I'm keepin you warm aint no nigga gone do what I do imah take care of you and ya kids Take the bent and go handle ya biz The bills is paid, the cable back on I quote you know the seeds want they nickleodeon on I'm not ashamed to sport you Floss you or gloss you out Fat, skinny out of shape i'll dior you out In the hood theres a struggle my girls is in trouble she lackin guidance in the mind shes blinded and puzzled her pops never showed her the ropes her moms raised mad kids on her own She never had a strong man in her home Nothing in this life, sun don't always shine But it can't rain all the time (everything gone be alright) Somebody sees your pain You will never hurt again I see you momma I see you momma You can cry yours eyes (cry your eyes) It will be alright (it will be alright) Tištěno z www.txp.cz Sponzor: www.srovnavac.cz - šetříme na pojištění!
