Sad Sad City

Ghostland Observatory

Been gettin' tired of my motor runnin' Feelin' over heated 'cause my life keeps comin' My hearts been troubled by the speed of love

Searchin' the streets for a soul committee Talkin' ideas on lust and pity The fables I've found have no place at home

Well, I need you to want me To hold me, to tell me the truth Say I need you to want me To hold me, to tell me the truth, yeah

Ain't no party in a sad, sad city Ain't no party in a sad, sad city

Well, roll the dice, pay the price Dance with wolves in a pack of lies The blood we crave shall drive us all insane

Yeah, outer space, it's a lovely place The long lost love in flower vase Layin' on the floor shattered, battered and bruised

Well, I need you to want me To hold me, to tell me the truth Say I need you to want me To hold me, to tell me the truth, yeah

Ain't no party in a sad, sad city Ain't no party in a sad, sad city Ain't no party in a sad, sad city

I need you to want me To hold me, to tell me the truth Say I need you to want me To hold me, to tell me the truth, yeah

Ain't no party in a sad, sad city Ain't no party in a sad, sad city
