Ghosts

I don't believe in you, I don't believe in me
There's nothing I won't do
No there's nothing left to prove

I don't believe in you, I don't believe in me
Your words they are no use
Too economical with the truth
Well you say I'm unfair
When you do all you like
I don't need you to care tonight

I don't belong with you
I don't need anyone to write a song about
I don't belong with you
I don't need anyone to tell me how to act
Coz I'm out

I don't believe in you, I don't believe in me
There's nothing I won't do
No there's nothing left to prove
Well it's easy to say
Much harder to do
I don't need you to stay and try

I don't belong with you
I don't need anyone to write a song about
I don't belong with you
I don't need anyone to tell me how to act
I don't need anyone to write a song about
