

Burning Love

Ghoti Hook

Lord almighty
I feel my temperature rising
Higher, higher
It's burning through to my soul

Girl, girl, girl
You gonna set me on fire
My brain is flaming
I don't know which way to go

Your kisses lift me higher
Like the sweet song of a choir
You light my morning sky
With burning love

Ooh, ooh, ooh, yeah
I feel my temperature rising
Help me, I'm flaming
I must be a hundred and nine

Burning, burning, burning
And nothing can cool me
I just might turn into smoke
But I feel fine

Your kisses lift me higher
Like the sweet song of a choir
You light my morning sky
With burning love

It's coming closer the flames are licking my body
Won't you help me? I feel like I'm slipping away
It's hard to breathe and my chest is a heaving
Lord have mercy, I'm burning a hole where I lay

Your kisses lift me higher
Like the sweet song of a choir
You light my morning sky
With burning love

I got a hunk, a hunk of burning love
I got a hunk, a hunk of burning love
I got a hunk, a hunk of burning love
