

## Oh Father

Giant Drag

It's funny that way, you can get used  
To the tears and the pain  
What a child will believe  
You never loved me

Chorus:

You can't hurt me now  
I got away from you, I never thought I would  
You can't make me cry, you once had the power  
I never felt so good about myself

Seems like yesterday  
I lay down next to your boots and I prayed  
For your anger to end  
Oh Father I have sinned

(chorus)

Oh Father you never wanted to live that way  
You never wanted to hurt me  
Why am I running away  
(repeat)

Maybe someday  
When I look back I'll be able to say  
You didn't mean to be cruel  
Somebody hurt you too
