It's funny that way, you can get used To the tears and the pain What a child will believe You never loved me

Chorus:

You can't hurt me now
I got away from you, I never thought I would
You can't make me cry, you once had the power
I never felt so good about myself

Seems like yesterday
I lay down next to your boots and I prayed
For your anger to end
Oh Father I have sinned

(chorus)

Oh Father you never wanted to live that way You never wanted to hurt me Why am I running away (repeat)

Maybe someday
When I look back I'll be able to say
You didn't mean to be cruel
Somebody hurt you too
