

# Shake Me Up

Giant

Midnight, my doorbell rings  
You're standing in the cold with a few of your things, and you're crying  
I know words for talking slow  
You don't have to tell me, I don't wanna know

When times get tough, you always run right back to me  
But I don't care, if it makes you feel better

'Cos you shake me up, break me up - when you're around, I can't get enough  
Oh you shake me up, break me up - girl, you tear me apart  
Yeah yeah yeah ya shake me up

The next day, the frontdoor slams  
You're standing in the street with another man, and you're laughing  
You move close, you shake his hand  
You smile at me like I understand, oh

In your eyes there is a promise you'll be back  
And that's all I need to make me feel better

'Cos you shake me up, break me up - when you're around, I can't get enough  
Oh you shake me up, break me up - girl, you tear me apart  
Shake me up, break me up - when you're around, I can't get enough  
Oh you shake me up, break me up - girl, you tear me apart  
Yeah yeah yeah ya shake me up

Why don't you make up your mind? You better stop wastin' my time

At night, my doorbell rings  
You're standing in the cold with all of your things, and you're smiling  
You walk in and say hello  
You don't have to tell me, 'cos I already know

No more tears, you won't be standing in the cold  
You'll be back with me, and it'll be better, oh better

'Cos you shake me up, break me up, when you're around, I can't get enough  
C'mon shake me up, break me up  
Shake me up, break me up - when you're around, I can't get enough

Oh you shake me up, break me up - girl, you tear me apart

Shake me up, break me up
