

## Elisir

Gigi d'Agostino

Love  
Love for me  
Is love  
Love for me  
I call your name,  
I keep on looking for you,  
And I don't know,  
Don't know where go where

Can set over night,  
I keep so over me  
There is no way,  
The way to stop me falling

Believe in me,  
I can set you free a night,  
You never Elisir enough

Oh, no,  
Something's thinking over me

Your love,  
Your love,  
Your love is on my mind  
(2x)

Your love is for me
