

L'Amour

Gigi d'Agostino

I still believe in your eyes
I just don't care what
You've done in your life

Baby, I'll always be here by your side
Don't leave me waiting too long
Please come by

I, I, I, I still believe in your eyes
There is no choice
I belong to your life

Because I, I need to love you some day
You'll be my baby
And we'll fly your way

And I'll fly with you
I'll fly with you
I'll fly with you

You are, are, are, are, are, are
You are, are, are, are, are, are
You are, are, are, are, are, are

Every day and every night
I always dream that
You are by my side

Oh baby, every day and every night
Will I celebrate?
Thing's gonna be all right

And I'll fly with you
I'll fly with you
I'll fly with you

You are, are, are, are, are, are
You are, are, are, are, are, are

Dream of me

I still believe in your eyes
I just don't care what
You've done in your life

Baby, I'll always be here by your side
Don't leave me waiting too long
Please come by

I, I, I, I still believe in your eyes
There is no choice
I belong to your life

Because I, I need to love you some day
You'll be my baby
And we'll fly your way

And I'll fly with you
I'll fly with you
I'll fly with you

Every day and every night
I always dream that
You are by my side

Oh baby, every day and every night
Will I celebrate?
Thing's gonna be all right

And I'll fly with you
I'll fly with you
I'll fly with you

You are, are, are, are, are, are
You are, are, are, are, are, are
