

Welcome To Paradise

Gigi d'Agostino

It's wonderful to be
Just living in a dream
Far from (the) reality

Illusion to be lived
Like freedom in your soul
Like freedom in your heart
Like freedom in your life

Welcome to paradise
A place where we belong
A place where we wold live
No matter how we feel
Far from (the) reality

Illusion to be lived
Like freedom in your soul
Like freedom in your heart
Welcome to paradise
A place where we belong
No wonder when we meet
An angel
