

## Welcome To Paradise

Gigi d'Agostino

It's wonderful to be  
Just living in a dream  
Far from (the) reality

Illusion to be lived  
Like freedom in your soul  
Like freedom in your heart  
Like freedom in your life

Welcome to paradise  
A place where we belong  
A place where we would live  
No matter how we feel  
Far from (the) reality

Illusion to be lived  
Like freedom in your soul  
Like freedom in your heart  
Welcome to paradise  
A place where we belong  
No wonder when we meet  
An angel
