

# I'll Take Care of You

Gil Scott-Heron

I know you've been hurt by someone else  
I can tell by the way you carry yourself  
But if you let me, here's what I'll do  
I'll take care of you

I've loved and I lost the same as you  
So you see I know just what you've been through  
And if you let me, here's what I'll do  
I'll take care of you

You won't ever have to worry  
You won't ever have to whine  
For I'll be there beside you  
To dry your weeping eye

So darling tell me that you'll be true  
There's no doubt in my mind, I know what I want to do  
And then just as sure as one and one is two  
I know I'll take care of you

I'll take care of you  
I'll take care of you  
I'll take care of you
