I'm New Here

Gil Scott-Heron

I did not become someone different That I did not want to be But I'm new here Will you show me around

No matter how far wrong you've gone You can always turn around

Met a woman in a bar

Told her I was hard to get to know

And near impossible to forget

She said I had an ego on me

The size of Texas

Well I'm new here and I forget Does that mean big or small

No matter how far wrong you've gone You can always turn around

And I'm shedding plates like a snake
And it may be crazy but I'm
The closest thing I have
To a voice of reason

Turn around, turn around, turn around And you may come full circle And be new here again (5x)
