

Well I've been trying to make a living  
Working eight hours a day  
But despite the overtime  
What I take home is  
A disgrace  
Still old con-lab-lib still  
Keeps coming round  
Looking for support

I've got a car that doesn't go  
A baby that won't stop crying  
And a wife that works so hard  
She can't afford a lie-in  
Still old con-lab-lib keeps coming round  
Look for support

Who the hell does he think he is  
Telling us the way that we should live  
While he's out dining A La Carte  
We're back to war like  
Back to war like rationing parts

He says he doesn't really care if we are  
For against him  
Cause he knows in the long run  
We are bound to elect him  
Still old con-lab-lib keeps coming round  
Looking for support

I've never seen anybody that could lie with  
Such ease I call it second nature He calls it his policies And  
as for his movements As you expect He's extremely moderate rig  
ht where he is left Who the hell does he think he is Telling us  
the way that we should live While he's out dining A La Carte W  
e're back to war like Back to war like rationing parts Well I'v  
e been trying to make a living working eight hours a day But de  
spite the overtime what I take home is a disgrace Still old con-  
lab-lib still Keeps coming round Looking for support
