

Doesn't It Make You Sick

Gilbert O'Sullivan

Heart beat low heat no heat at all question unanswered and I recall
haves that have no qualms what arses they lick in taking their
pick doesn't it make you sick

One day tuesday three days or more looked for a job saw one framed
in a store rushed into buy it but I was too quick doesn't it
make you sick at no time in my mind are wheelchairs inept governme

Ell you with charm when faced with a stairway here's what they
advise just walk with it under your arm

Who are what are where are the few always it's arabs hated by jews
bombing your neighbor with mortar and brick doesn't it make you sick

At no time in my mind are wheelchairs inept governments tell you
with charm when faced with a stairway here's their advise just
walk with it under your arm

No doubt sauerkraut is a racist remark so too is blackpool long
after dark have nots deprived of their mortar and brick doesn't
it make you sick doesn't it make you sick

And suppose if I'm a atheist it's god I'll thank
