

# I Wish I Could Cry

Gilbert O'Sullivan

Day by day  
Someone we really love  
Seems to feel the pain  
We're always thinking of

But you know  
If only we were the men  
That we're supposed to be  
That wouldn't happen again

I wish I could cry  
I wish I could cry  
I wish I could cry I cry today  
I wish I could die  
I wish I could die

I do wish I'd die away  
Now I fear  
We must accept the fact  
That what happened here

Was simply a vicious act  
And you know  
I just can't help wondering how  
Long it will be before  
Somebody else must bow

I wish I could cry  
I wish I could cry  
I wish I could cry I cry today  
I wish I could die  
I wish I could die  
I do wish I'd die away
