

## Number 4

Gilbert O'Sullivan

Number 4 In the beginning  
There was one  
Himself had just began  
Then along came Number 2

The other way round is your clue  
And after that came 3  
Written by you know me  
Now I'm not saying anymore

Except to tell you  
That this is not Number 1: number 2:  
Number 3: or Number 5 But Number 4
