

Tell Me Why

Gilbert O'Sullivan

I don't want you hanging round outside my door
I don't want you hanging round anymore
If you'd only tell me why you did lie
Baby please baby please baby one time

Tell me why anyway you want to
Tell me why anyway you choose
Tell me why anyway you want to

Please baby please baby this time baby
Please baby please baby why don't you try
You've got to be honest if our love's to pay
You've got to be truthful in no other way

If you'd only tell me why you cheated and lied
Baby please baby please baby one more time
Tell me why anyway you want to
Tell me why anyway you choose
Tell me why anyway you want to

Please baby please baby one more time
Baby please baby please baby
Tell me why, tell me why
Tell me why anyway you want to
Tell me why anyway you choose
Tell me why anyway you want to

Please baby please baby tell me why
Baby please baby please baby
So I don't want you hanging round outside my door
And I don't want you hanging round anymore

But If you'd only tell me why you did lie
Baby please baby please baby why don't you try
Tell me why anyway you want to
Tell me why anyway you choose
Tell me why anyway you want to

Please baby please baby one more time
Baby please baby please baby tell me why,
Tell me why
Tell me why
Tell me why
Tell me why
