

## What Could Be Nicer

Gilbert O'Sullivan

Mum, the kettle's boiling  
Daddy what's the time  
Sis, look what you're doing  
Can't you see the baby's crying  
Tell your Uncle Tony  
Helen wants to know  
Did he get the letter  
That she sent a week ago  
All in all what could be nicer  
Than two people young at heart  
Looking forward to the future  
That together they will start  
When you think of all those people  
Who are left out in the cold  
All because they never dreamed  
That they'd be written off as old  
Mum, the kettle's boiling  
Dad, 'ere what's the time  
Sis, look what you're doing  
Can't you see the baby's crying  
Can't you see the baby's crying
