

What's In A Kiss

Gilbert O'Sullivan

What's in a kiss
Have you ever wondered just what it is
More perhaps than just a moment of bliss
Tell me what's in a kiss

What's in a dream
Is it all the things you'd like to have been
All the places that you haven't yet seen
Tell me what's in a dream

I know it's really rather stupid of me
But I honestly don't know
Every time I try to find a solution
I'm surprised at how quickly I become so slow

What's in a kiss
Have you ever wondered just what it is
More perhaps than just one moment of bliss
Tell me what's in a kiss

Any time you need a light refreshment
Baby you can count on me
I am your very own delicatessen
Well equipped to supply you with your every need

What's in a kiss
Have you ever wondered just what it is
More perhaps than just one moment of bliss
Tell me what's in a kiss

Tell me what's in a kiss

Tell me what's in a kiss
