What's In A Kiss

Gilbert O'Sullivan

What's in a kiss Have you ever wondered just what it is More perhaps than just a moment of bliss Tell me what's in a kiss

What's in a dream Is it all the things you'd like to have been All the places that you haven't yet seen Tell me what's in a dream

I know it's really rather stupid of me But I honestly don't know Every time I try to find a solution I'm surprised at how quickly I become so slow

What's in a kiss Have you ever wondered just what it is More perhaps than just one moment of bliss Tell me what's in a kiss

Any time you need a light refreshment Baby you can count on me I am your very own delicatessen Well equipped to supply you with your every need

What's in a kiss Have you ever wondered just what it is More perhaps than just one moment of bliss Tell me what's in a kiss

Tell me what's in a kiss

Tell me what's in a kiss
