

You Don't Have To Tell Me

Gilbert O'Sullivan

You don't have to tell me
You've got something on your mind
Because I've seen it there
So many time before

And you don't have to tell me
Just what it is that's on your mind
For I'm inclined to agree with me
There must be something wrong

A subtle breeze
I stand at ease
Won't dislocate my arm
But what could
What easily would break my heart
If you imply that this time I'm sorry
I have gone too far
But if that's true
Then why are you acting as you are

So you don't have to tell me
You've got something on your mind
Because I've seen it there
So many time before

And you won't have to tell me
Just what it is that's on your mind
For I'm inclined to agree with me
There must be something wrong

A subtle breeze
I stand at ease
Won't dislocate my arm
But what could
What easily would break my heart

Cause you imply that this time I'm sorry
I have gone too far
But if that's true
Then why are you acting as you are

So You don't have to tell me
You've got something on your mind
Because I've seen it there
So many time before

And you won't have to tell me
Just what it is that's on your mind
For I'm inclined to agree with me
There must be something wrong
