

Bad Times Good

Paul Gilbert

I'm not addicted,
I can quit anytime that I want.
Baby I'm not addicted,
I can quit anytime that I want.

When you think I'm in need,
I will be seen,
To walk right out through the front.
I'm not addicted,
I can quit anytime that I want.

I'm not addicted,
I can easily just say no.
No, no, no,
I'm not addicted to your lovin' arms when I go.

If you think you control me,
I'm not so lonely,
And don't try to pull any stunt.
I'm not addicted,

I can quit anytime.
I'm not addicted,

I can quit anytime that I want.

I'm not addicted,
I can quit anytime.
I'm not addicted,
I'm gonna play my guitar.

Oh I'm not addicted,
I don't need to be messed in the head.
Oh no, I'm not addicted to the things that you do in your bed.
When you think that you've got me,
Nothing's gonna stop me,
Have myself a party for one.

I'm not addicted,
I can quit anytime,
I can kick the habit like a bottle of wine.
I ain't addicted,
I can quit anytime that I want.
