Double Trouble

Paul Gilbert

Got a girl named Michelle
She been treatin' me so well
I don't even want to tell you about her

Got a friend named Marie
She been so good to me
I don't know if I could ever do without her

Double Trouble
Gotta stop livin' this lie
I'm in serious trouble
Both girls wavin' bye bye

Took advice from a friend
If I want my pain to end
All I have to do is send her a letter

Soon my heart felt anew
So I started writin' two
To make myself feel twice as better

Double Trouble
Gotta stop livin' this lie
I'm in serious trouble
Both girls wavin' bye bye

Double Trouble
Gotta stop livin' this lie
I'm in serious trouble
Both girls wavin' bye bye
