

Rosalinda Told Me

Paul Gilbert

Verse:

I dont have any practiced pick-up lines
I just know when I saw you there
I thought maybe someday you'd me mine

Pre-Chorus:

I could blow you away
with my own confidence
But I don't know your name
So I'm asking your friend

Chorus:

Rosalinda told me your name
And smiled at the thought of you
Rosalinda told me you don't play games
But that wasn't all
That Rosalinda told me 'bout you

Verse: (same chords)

So I gave you my number, hoped you'd call...
Thought that may be we'd get together
And spend time forgetting it all

Pre-Chorus: (same chords)

Still I haven't heard back, but that won't stop me
cause your friend Rosalinda said you were free

Chorus: (same chords)

Rosalinda told me your name
And smiled at the thought of you
Rosalinda told me you don't play games
But that wasn't all, that Rosalinda told me 'bout you

Bridge:

Only a matter of time - 'til you see it's right
Only a matter of time - like tommorow night
Only a matter of time - I'm not worrying at all

Ohh no...

You're gonna feel the same - As I do for you
Although it's looking like rain - I'm not feeling blue
Only a matter of time - like the rain you're gonna
