

# Three Times Rana

Paul Gilbert

And the name is Rana, Rana  
It's so nice I say it twice  
Or three times Rana, Rana, Rana  
Take me home tonight

Australia is in the south  
A girl there kissed me in the mouth  
I want to take her out tonight

She smokes but I forgot to care  
Sometimes she pulls me by the hair  
We can go anywhere tonight

And the name is Rana, Rana  
It's so nice I say it twice  
Or three times Rana, Rana, Rana  
Take me home tonight

She's kind of young but so am I  
We both believe each other's lies  
Look straight into her eyes tonight

Her dress is flowing in the breeze  
She doesn't want me to say please  
Or speak no Japanese tonight

And the name is Rana, Rana  
It's so nice I say it twice  
Or three times Rana, Rana, Rana  
Take me home tonight

And a piece of Rana, Rana  
It's a piece of paradise  
So three times Rana, Rana, Rana  
Take me home tonight

And the name is Rana, Rana  
It's so nice I say it twice  
Or three times Rana, Rana, Rana  
Take me home tonight

And a piece of Rana, Rana  
It's a piece of paradise  
So three times Rana, Rana, Rana  
Take me home  
Take me home  
Take me home tonight
