

# Time to Let You Go

Paul Gilbert

You've lost that feelin' in your kiss  
I'm only holdin' up the show  
My god your face I'm gonna miss  
I see it's time to let you go

You don't dig lovin' me no more  
We used to make it long and slow  
I've cried so long my eyes are sore  
I see it's time to let you go

It ain't no good if it don't feel good, real good  
It still felt good to me  
And if you feel you should, it's understood  
Just go where you should be

Take everything that smells like you  
Leave no reminders left to show  
That at one time man we were two  
But now it's time to let you go

It ain't no good if it don't feel good, real good  
It still felt good to me  
And if you feel you should, it's understood  
Just go where you should be

Take everything that smells like you  
Leave no reminders left to show  
That at one time man we were two  
But now it's time to let you go

That at one time man we were two  
But now it's time to let you go

That at one time man we were two  
But now it's time to let you go
