

# Wash My Car

Paul Gilbert

If I wash my car  
You know I'm gonna feel all right  
If I wash my car  
You know I'm gonna feel all right  
If I wash my car  
I'm gonna feel like a star tonight

If I keep it clean  
And drive it out to Hollywood  
If I keep it clean  
And drive it out to Hollywood  
If I keep it clean  
You know it's gonna feel so good

Got a girl here that wants me to stay  
Got another who wants me to play  
Tonight I just can't decide  
Gonna free my soul and just go for a ride

If I wash my car  
You know it's gonna be all right  
If I wash my car  
I'm gonna feel like a star tonight  
Allright

Got a girl here that wants me to stay  
Got another who wants me to play  
Tonight I just can't decide  
Gonna free my soul and just go for a ride

If I don't come back  
Don't worry cause I'm not far  
Just letting the time roll by  
While washing the car  
Let it roll

If I wash my car  
You know I'm gonna feel all right  
If I wash my car  
You know I'm gonna feel all right  
If I wash my car  
I'm gonna feel like a star tonight

If I keep it clean  
And drive it out to Hollywood  
If I keep it clean  
And drive it out to Hollywood  
If I keep it clean  
You know it's gonna feel so good  
Just letting the time roll by  
Washing under the hood  
When I wash my car  
You know it makes me feel so good

I feel so good
