

Zip Gun

Gilby Clarke

Undertaker of the overkill
Coming down from the model glue
Vegas strip couldn't rob you blind
Weekends free with the genocide
Zero hour, rapid fire Panic stricken, desperation

Zip gun,
I'm a liquor store thief Zip gun,
trailer park white trash

Battleground of the junkie glam Time bombs,
shooting rubberbands
Blackout ain't a flashback
Just the end of innocent
White lies, hard crime Make believe, smokescreen

Zip gun,
I'm a liquor store thief Zip gun,
trailer park white trash

Walking wounded,
Gotta get outta here
Damned and stupid,
Sinking feeling
I'm buried here

Zip gun,
I'm a liquor store thief Zip gun,
trailer park white trash
