

## Zip Gun

Gilby Clarke

Undertaker of the overkill  
Coming down from the model glue  
Vegas strip couldn't rob you blind  
Weekends free with the genocide  
Zero hour, rapid fire Panic stricken, desperation

Zip gun,  
I'm a liquor store thief Zip gun,  
trailer park white trash

Battleground of the junkie glam Time bombs,  
shooting rubberbands  
Blackout ain't a flashback  
Just the end of innocent  
White lies, hard crime Make believe, smokescreen

Zip gun,  
I'm a liquor store thief Zip gun,  
trailer park white trash

Walking wounded,  
Gotta get outta here  
Damned and stupid,  
Sinking feeling  
I'm buried here

Zip gun,  
I'm a liquor store thief Zip gun,  
trailer park white trash
