

Honey Now

Gillian Welch

I can't be called
Begged or bought
If you wanna be my
Johnny on the spot

Honey now, now, now
Honey now, now, now
You know later won't
Do me no good anyhow
Honey now, now, now

The front door's shut
Back door too
Blind's pulled down
What you gonna do?

Honey now, now, now
Honey now, now, now
You know later won't
Do me no good anyhow
Honey now, now, now

You take your time
And get me sore
Tell me what you wanna
Keep waiting for

Honey now, now, now
Honey now, now, now
You know later won't
Do me no good anyhow
Honey now, now, now

Now, now, now
Now, now, now
Now, now, now
Now, now, now
You know later won't
Do me no good anyhow
Honey now, now, now
