

# I Want To Sing That Rock And Roll

Gillian Welch

CAPO 1.FRET

I wanna sing that rock and roll,  
I want to electrify my soul,  
Cause everybody been making a shout,  
So big and loud, been drownin' me out,  
I want to sing that rock and roll.

I want to reach that glory land,  
I want to shake my Saviour's hand,

And I wanna sing that rock and roll,  
I want to electrify my soul,  
Cause everybody been making a shout,  
So big and loud, been drownin' me out,  
I wanna sing that rock and roll.

I been a traveling near and far,  
but I want to lay down my old guitar.

And I wanna to sing that rock and roll,  
I want to electrify my soul,  
Cause everybody been making a shout,  
So big and loud, been drownin' me out,  
I wanna sing that rock and roll.

(kytara solo)

I been a traveling near and far,  
But I want to lay down my old guitar.  
I wanna sing that rock and roll,  
I want to electrify my soul,  
Cause everybody been making a shout,  
So big and loud, been drownin' me out,  
I wanna sing that rock and roll.  
I wanna sing that rock and roll.
