

# One Monkey

Gillian Welch

One monkey don't stop the show  
One monkey don't stop the show  
One monkey don't stop the show  
Whoa, so get on board

Oh, one monkey don't stop the show  
One monkey don't stop the show  
One monkey don't stop the show  
Whoa, so get on board

Here comes the freight train  
Here comes the freight train  
Here comes the freight train  
So get on board

Oh, one monkey don't stop the show  
One monkey don't stop the show  
One monkey don't stop the show  
Whoa, so get on board

There is a purpose, a running keep  
There is a captain, with a steady wheel  
Wheel

An' one monkey don't stop the show  
One monkey don't stop the show  
One monkey don't stop the show  
Whoa, so get on board

Oh, one monkey don't stop the show  
One monkey don't stop the show  
One monkey don't stop the show  
Whoa, so get on board

Here comes the slow train  
Here comes the slow train  
Here comes the slow train  
So get on board

Oh, one monkey don't stop the show  
One monkey don't stop the show  
One monkey don't stop the show  
Whoa, so get on board

She's at the station, running slow  
Ready for leavin', she's gonna go  
Go

One monkey don't stop the show  
One monkey don't stop the show  
One monkey don't stop the show  
Whoa

Here comes the freight train  
Here comes the freight train  
Here comes the freight train  
So get on board

Oh, one monkey don't stop the show  
One monkey don't stop the show  
One monkey don't stop the show  
Whoa

One monkey don't stop the show  
One monkey don't stop the show  
One monkey don't stop the show  
Whoa, so get on board

Oh, one monkey don't stop the show  
One monkey don't stop the show  
One monkey don't stop the show  
Whoa, so get on board

Here comes the freight train  
Here comes the freight train  
So get on board
