

# Follow You Down

Gin Blossoms

Did you see the sky?  
I think it means that we've been lost  
Maybe one last time is all we need  
I can't really help it  
If my tongue's all tied in knots  
Jumping off a bridge is just the farthest  
That I've ever been

Anywhere you go, I'll follow you down  
Anyplace but those I know by heart  
Anywhere you go, I'll follow you down  
I'll follow you down, but not that far

I know we're headed somewhere  
I can see how far we've come  
But still I can't remember anything  
Let's not do the wrong thing  
And I'll swear it might be fun  
It's a long way down  
When all the knots we've tied have come undone

Anywhere you go, I'll follow you down  
Anyplace but those I know by heart  
Anywhere you go, I'll follow you down  
I'll follow you down, but not that far

How you gonna ever find your place  
Running in an artificial pace  
Are they gonna find us lying face down in the sand  
So what the hell now we've already been forever damned

Anywhere you go, I'll follow you down  
Anyplace but those I know by heart  
Anywhere you go, I'll follow you down  
I'll follow you down, but not that far
