

# Hey Jealousy

Gin Blossoms

You'd tell me, do you think it'd be all right  
If I could just crash here tonight  
You can see I'm in no shape for driving  
And anyway I've got no place to go

And you know it might not be that bad  
You were the best I'd ever had  
If I hadn't blown the whole thing years ago  
I might not be alone

Tomorrow we can drive around this town  
And let the cops chase us around  
The past is gone but something might be found  
To take it's place, hey jealousy  
Hey jealousy, hey jealousy, hey jealousy

And you can trust me not to think  
And not to sleep around  
And if you don't expect too much from me  
You might not be let down

'Cause all I really want is to be with you  
Feeling like I matter too  
If I hadn't blown the whole thing years ago  
I might be here with you

Tomorrow we can drive around this town  
And let the cops chase us around  
The past is gone but something might be found  
To take it's place, hey jealousy

Tomorrow we can drive around this town  
And let the cops chase us around  
The past is gone but something might be found  
To take it's place, hey jealousy  
Hey jealousy, hey jealousy, hey jealousy

You'd tell me and do you think it'd be all right  
If I could just crash here tonight  
You'd see I'm in no shape for driving  
And anyway I've got no place to go

And you know it might not be that bad  
You were the best I'd ever had  
If I hadn't blown the whole thing years ago  
I might not be alone

Tomorrow we can drive around this town  
And let the cops chase us around  
The past is gone but something might be found  
To take it's place, hey jealousy

Hey jealousy, listen to my heart  
There's only one thing I couldn't start
