Hey Jealousy

Gin Blossoms

You'd tell me, do you think it'd be all right If I could just crash here tonight You can see I'm in no shape for driving And anyway I've got no place to go

And you know it might not be that bad You were the best I'd ever had If I hadn't blown the whole thing years ago I might not be alone

Tomorrow we can drive around this town And let the cops chase us around The past is gone but something might be found To take it's place, hey jealousy Hey jealousy, hey jealousy

And you can trust me not to think And not to sleep around And if you don't expect too much from me You might not be let down

'Cause all I really want is to be with you Feeling like I matter too If I hadn't blown the whole thing years ago I might be here with you

Tomorrow we can drive around this town And let the cops chase us around The past is gone but something might be found To take it's place, hey jealousy

Tomorrow we can drive around this town And let the cops chase us around The past is gone but something might be found To take it's place, hey jealousy Hey jealousy, hey jealousy

You'd tell me and do you think it'd be all right If I could just crash here tonight You'd see I'm in no shape for driving And anyway I've got no place to go

And you know it might not be that bad You were the best I'd ever had If I hadn't blown the whole thing years ago I might not be alone

Tomorrow we can drive around this town And let the cops chase us around The past is gone but something might be found To take it's place, hey jealousy

Hey jealousy, listen to my heart There's only one thing I couldn't start
