

Soul Deep

Gin Blossoms

Well darlin' I don't know much
But I know I learned so much
My life depends on your touch
For my love is a river running soul deep

Way down inside me it's soul deep
Too big to hide and it can't be denied
My love is a river running soul deep
I'd put myself to death for ya

Just to show I adore ya
Nothin' I wouldn't do for ya
'Cause my love is a river running soul deep
Way down inside me it's soul deep

Too big to hide and it can't be denied
My love is a river
All I ever really want to be
Depends on your love for me

Baby believe me
If you should leave me
I'd be nothing but an empty shell
And you know darn well I can tell though

And all I ever really want to be
Depends on your love for me
Baby believe me
If you should leave me

I'd be nothing but an empty shell
You know darn well I can tell though
Well I don't know much
But I know I learned so much

My live depends on your touch
For my love is a river running soul deep
Way down inside me it's soul deep
It's too big to hide and it can't be denied

My love is a river running soul deep
My love is a river running soul deep
Way down inside me it's soul deep
It's too big to hide and it can't be denied
My love is a river running soul deep
