

Black Sheep

Gin Wigmore

[Backing Vocals:]

Oh, oh, oh

Oh, oh, oh, oh

Oh, oh, oh, oh

Oh, oh, oh, oh

Oh, oh, oh, oh

[Verse 1:]

I got lots of jealous lovers that all wish they had me back

Got a pistol for a mouth, my old mama gave me that

Making my own road out of gravel and some wine

And if I have to fall then it won't be in your line

[Pre-Chorus:]

Everybody's doing it so why the hell should I

Everybody's doing it so why the hell should I

[Chorus:]

I'm a bad woman to keep

Make me mad, I'm not here to please

Paint me in a corner but my colour comes back

Once you go black, you never go back

I'm a black sheep

I'm a black sheep

[Verse 2:]

I wasn't born a beauty queen but I'm okay with that

Maybe radio won't mind if I sing a little flat

I wear my boots to bed, hang a cross up on the wall

To save me from a shallow grave that wants to take us all

[Pre-Chorus:]

Everybody's doing it so why the hell should I

Everybody's doing it so why the hell should I

[Chorus:]

I'm a bad woman to keep

Make me mad, I'm not here to please

Paint me in a corner but my colour comes back

Once you go black, you never go back

I'm a black sheep

I'm a black sheep

I'm a black sheep

I'm a black sheep

[Repeat Verse 1:]

I got lots of jealous lovers that all wish they had me back

Got a pistol for a mouth, my old mama gave me that

Making my own road out of gravel and some wine

And if I have to fall then it won't be in your line

[Chorus:]

I'm a bad woman to keep

Make me mad, I'm not here to please

Paint me in a corner but my colour comes back

Once you go black, you never go back

[Outro:]

Once you go black, you never go back

Once you go black, you never go back

Once you go black, you never go back

Once you go black, you never go back
