

Don't Stop

Gin Wigmore

Twinkle toes I think I found a soul
To make me happily ever after
Twinkle toes I'm glad you shot your bow
Into the arms of my saviour
Can I say that I'm somebody's world
How do I live alone with nowhere to go no

I say I love you
And I'll say it more
My one and only I can't lose so

Don't stop doing what you do
Have I paid my dues just to be with you
Don't stop doing what you do
I will be your something old, new, borrowed, blue
Don't stop doing what you do
Cos that makes you my man

Gatekeeper, I am down on my knees
I need your key to free my stranger
Gatekeeper, I will knock on your door
And I don't care if you call yourself the reaper
Tick tock clock
I say bye, bye
I found a reason to be done with time
I say I love you
And I'll say it more
My one and only I can't lose so

Don't stop doing what you do
Have I paid my dues just to be with you
Don't stop doing what you do
I will be your something old, new, borrowed and blue
Don't stop doing what you do
Cos that makes you my man

Can you understand
Hmmm that baby, you're my man
I say I love you
And I'll say it more
My one and only oh I can't lose

No, don't stop being what you be
Doing what you do
Don't stop being you
No, no, no, no, no, no don't stop
No I can't no I can't lose you so

Don't stop doing what you do
Have I paid my dues just to be with you
Don't stop doing what you do
I will be your something old, new, borrowed and blue
Don't stop doing what you do ah
Don't stop doing what you do so
Don't stop doing what you do
Cos that makes you my man
