[Verse 1:]

Shake my bones and rattle my grave  
He's gone diggin' in the bitch again  
Back tattoo of a big black snake  
Don't go telling me she's just a friend

[Pre-Chorus:]

Hey, lil' mama  
Who you gonna poison now  
(La, la, la, la, la, la, la, la, la)  
Hey, lil' papa  
Who you gonna run to now

[Chorus:]

It's been a long time coming  
And this house is burning down  
Don't know how I ever loved you  
I was blind and running into what's in front of me  
If I only knew  
That happy ever after wasn't you

[Backing Vocals:]

La, la, la, la, la, la, la, la  
La, la, la, la, la, la, la, la, la

[Verse 2:]

Hurt me, hate me, throw me down  
Fifteen years I gave you me  
To lie alone in this redneck town  
A better lover did I have to be

[Pre-Chorus:]

And hey, lil' mama  
What you gonna break up now  
(La, la, la, la, la, la, la, la, la)  
And hey, lil' papa  
Who you gonna run to now

[Chorus:]

It's been a long time coming  
And this house is burning down  
Don't know how I ever loved you  
I was blind and running into what's in front of me  
And I never knew  
That happy ever after wasn't you

[Chorus:]

It's been a long time coming  
And this house is burning down  
Don't know how I ever loved you  
I was blind and running into what's in front of me

If I only knew  
That happy ever after wasn't you
