

# Hey Ho

Gin Wigmore

I hear you're leavin town  
And I am feelin down  
You should know that nothin' leaves my side

I'm gonna come around  
I'm gonna shoot you down  
You knocked my crown  
Now you'll go six feet under ground

Your lies have broke my life  
Say goodbye my angel  
I gave you all my love  
To sleep alone my angel

Hey ho nobody knows  
You're not coming home  
Hey ho nobody knows  
You're not coming home

Don't you take me here (Don't you take me here)  
Don't you touch me there (Touch me there)  
I am diggin your grave  
And you stay there

Can you see the light, (Can you see the light)  
And think you're still alive? (Still alive)  
Believe me baby  
You won't come back again (You won't come back again)

Your lies have broke my life  
Say goodbye my angel  
I gave you all my love  
To sleep alone my angel

Hey ho nobody knows  
You're not coming home  
Hey ho nobody knows  
You're not coming home

It didn't have to be this way  
Playing games and lost one day  
Have mercy on my lonely soul  
It wasn't me, it was you, you know

Your lies have broke my life  
Say goodbye my angel  
I gave you all my love  
To sleep alone my angel  
Your lies have broke my life  
Say goodbye my angel

Hey ho nobody knows  
You're not coming home  
Hey ho nobody knows  
You're not coming home  
Hey ho nobody knows  
You're not coming home

Hey ho nobody knows  
You're not coming home
