

# Kill Of The Night

Gin Wigmore

The street's a liar  
i'm gonna lure you into the dark

My cold desire  
to hear the boom boom boom of your heart

The danger is  
I'm dangerous  
and I might just tear you apart  
oh ah oh

I'm gonna catch ya  
I'm gonna get ya, get ya  
oh ah oh  
I wanna taste the way you bleed, oh  
You're my kill of the night

now your mine  
but what do i do with you boy  
I'll take your heart  
to kick around as a toy

The danger is  
I'm dangerous  
and I might just tear you apart  
oh

I'm gonna catch ya  
I'm gonna get ya, get ya  
oh ah oh  
I wanna taste the way that you bleed  
oh  
I'm gonna catch ya  
I'm gonna get ya, get ya  
oh ah oh  
I wanna taste the way that you bleed  
oh

This is a bad town for such a pretty face x8

oh

I'm gonna catch ya  
I'm gonna get ya, get ya  
oh ah oh  
I wanna taste the way that you bleed  
oh  
I'm gonna catch ya  
I'm gonna get ya, get ya  
oh ah oh  
I wanna taste the way that you bleed  
oh  
You're my kill of the night
