

Kill Of The Night

Gin Wigmore

The street's a liar
i'm gonna lure you into the dark

My cold desire
to hear the boom boom boom of your heart

The danger is
I'm dangerous
and I might just tear you apart
oh ah oh

I'm gonna catch ya
I'm gonna get ya, get ya
oh ah oh
I wanna taste the way you bleed, oh
You're my kill of the night

now your mine
but what do i do with you boy
I'll take your heart
to kick around as a toy

The danger is
I'm dangerous
and I might just tear you apart
oh

I'm gonna catch ya
I'm gonna get ya, get ya
oh ah oh
I wanna taste they way that you bleed
oh
I'm gonna catch ya
I'm gonna get ya, get ya
oh ah oh
I wanna taste the way that you bleed
oh

This is a bad town for such a pretty face x8

oh

I'm gonna catch ya
I'm gonna get ya, get ya
oh ah oh
I wanna taste they way that you bleed
oh
I'm gonna catch ya
I'm gonna get ya, get ya
oh ah oh
I wanna taste the way that you bleed
oh
You're my kill of the night
