

# Mr. Freakshow

Gin Wigmore

Hey! Thank you for the date.  
The tulips made you Mr. Freakshow  
You think you got what it takes  
While I'm thinking  
About making you wait  
I should tell you I don't ever wanna ever, ever be a  
lady!

She said, she said don't stay long  
I want you gone before the morning comes  
He said baby where did I go wrong?  
Call me, Call me like you like me some  
She said, she said don't come back  
I want you gone before the morning comes

Oh no oh no  
Ah oh ah oh no no no  
Ah oh ah oh no no no  
Ah oh ah oh

Sorry? Were you looking for love?  
Cause I don't think you have the touch  
Mr. get up, off your knees  
Girls don't like a man begging to be  
Tarzan you see me swingin' for trees  
I don't ever wanna ever be your lady!

She said, she said don't stay long  
I want you gone before the morning comes  
He said baby where did I go wrong?  
Call me, Call me like you like me some  
She said, she said don't come back  
I want you gone before the morning comes

Oh no oh no  
Ah oh ah oh no no no  
Ah oh ah oh no no no  
Ah oh ah oh no no no  
Ah oh ah oh

I sit here alone  
But I'll dig my toes in  
Till I find the perfect one  
And I'm thinkin' how to leave you Mr,  
Mr Freakshow! Go go home  
No no no  
Ah no

She said, she said don't stay long  
I want you gone before the morning comes  
He said baby where did I go wrong?  
Call me, Call me like you like me some  
She said, she said don't come back  
I want you gone before the morning comes

Oh, Ah oh ah oh no no no  
Ah oh ah oh no no no

Ah oh ah oh no no no  
Ah oh ah oh  
Let me be let me be let me be  
Oh go go  
Leave me leave
