

## New Revolution

Gin Wigmore

Hey, can you heal these broken bones?  
Hey, can you guide the thoughts we own  
Help, with a question I need to know  
We will rise to burn  
If you let this go

In the dark of day  
Teach us love again  
Pray we stay for

The new revolution is here  
And the road to redemption is here  
Come hell or high water babe  
We'll keep movin' on

Please, will you Mr.  
Show me hope  
Please, tell my mother to carry on  
Stand up, little darling  
I've been told to stand up and fight, for living strong

In the dark of day  
Teach us love again  
Pray we stay for

The new revolution is here  
And the road to redemption is here  
Come hell or high water babe  
We'll keep movin' on

Yeah, yeah, yeah  
We'll keep movin' on  
We'll keep movin' on  
Woah, yeah

The new revolution is here  
And the road to redemption is here  
Yeah, yeah, yeah  
Come hell or high water babe  
We'll keep movin' on  
Yeah, we'll keep movin' on
